OFFICES

PROJECT: BANBURY MUSEUM, BANBURY, OXFORDSHIRE

PHASE 1 (£200K) AND PHASE 2 (£5.5M) ROLE: PROJECT ARCHITECT

DESCRIPTION: MUSEUM REFURBISHMENT AND EXTENSION TO HOUSE ENLARGED

GALLERIES, LECTURE. FILM AND PRIVATE HIRE AREAS PHASE 1: COMPLETED NOV 2018, STAGE 2 ONGOING

The project is being delivered in two phases. The first phase sees the creation of the new PYE Gallery and refurbishment of the main public circulation spaces. The new PYE Gallery includes the reconfiguration of the reception spaces and access to the first-floor museum allowing two galleries on the ground floor to be combined to form a much larger temporary exhibition space suitable for accommodating touring exhibitions from national museums and galleries.

The second phase extension is sited on the space currently occupied by the Museum's loading bay and where an additional penthouse floor will be added. Designed to create a landmark building at the centre of the Castle Quay

2 development.
